adaptation of 1984, boeing boeing was awesome go players
bk- plugging away at coffeehouses
htg- designers have budgets, nobody has complained! got a lot of proposals! voting is next monday.
bet- quickies is going well, 1984 was also proposed to BET. voting is friday side project proposals separate.
edges is in noconflict week. voting on saturday.

submitting shows to more than one group. talk at preproposals saying that you should let both groups know.

Designer meetings: time to have a second one. start thinking about preparation for that.

How do we feel this semester is going?
Producers having a lot of issues with budgets. Get a guide to budgeting. Have general exec documents. Sending it out to designers as well.

For next semester, BK will have a set. Making sure there are people to help.

Common auditions: Freeplay and HTP should be separate. Agreed on Shakespeare. Show by show basis for Freeplay. Have a discussion with HTP and Freeplay to decide. Have a meeting with directors to discuss how they wish to run auditions. Everyone should be involved in common casting. Clarification: make sure that people are aware of BK performance dates.
