Sweatshirts and posters for next semester

- bring designs to first commission

- maria can order everything in advance

- bk can't do that because show name is picked later in semester

- HTG gets publicity funding from Hillel

- ordering early is good idea, commission enforced deadline is beneficial

- need time to get the cast opinion/preferences

- set up an account with a company to order a certain amount in the season

- most important to have design deadline as early as possible

Date selection

- Nov 25th

- Bk wants april timeslot

- Alyssa will send out possible dates

- tymp has theater for Brandeis cares

Voting on constitution

- Dec 9th

Banquet

- start thinking about

- who is interested in being on the committee

- very efficient if its juniors on commission spearheading it with other juniors

- kosher option instead of all kosher food?

 - really nice to be able to tell people who keep kosher they can eat anything

 - can get good quality of kosher food

 - what if options are identical?

 - okay to skimp on centerpieces so that you can spend more money on food
more creative options, but all-kosher is generally preferred.

bk cleaned out prop closet, took many hours.

has a list of all props, makes easier to lend out props
found two huge mirrors, does utc want them?

Check in

bet: quickies needs more directors

htg: happy place, three director applications, interviews this week. sweatshirts on the way. in no-conflict week. ton of interest in hairspray

players: show was great. most of a production team for 1984. mostly freshmen with lots of execs.

t ymp: in tech right now. focusing and painting. have two director application so far. will have a director and be talking prod staff people

bk: sketches for fall show. getting troupes to perform with them. so far yale and skidmore.
